Bob Books is an interactive book app that uses spelling, repetition, and phonics to build beginning reading skills. Each 12-page book can be played at 4 different difficulty levels — beginning readers drag and drop letters to match words while the app sounds out the letters and reads the word aloud, more advanced readers select letters on their own.

Dyslexia and Learning Disabilities | Reading Rockets

• The Book Store is available in many countries. The selection of available books varies by country. • Downloading content from Books or iCloud requires an Apple ID and Internet access. • Adding books and PDFs from outside the Book Store to the Books app requires they be DRM-free. Some PDF documents may not be compatible with Books.
