New Holland Disc Mowers 442 452 462 463 & 465 Service ...
New Holland has never provided a seal kit for the hydraulic cylinder on their 400 series disc mower models. These cylinders are one way cylinders and they have an air vent cap on the one end. If oil starts squirting out when you fold up the mower, then you know that your cylinder needs to be resealed.

New Holland 462 Disc Mower - CattleToday.com
I just recently bought a new Holland 462 disk mower. It looks to be in good shape. My question is in the owner manual it talks about hooking a chain from the top link to bottom link to set the height. I will be using this on a 2640 John Deere and I feel I can set my three point hitch control to take care of this. Has anybody done this or will ...

Parts for Ford/New Holland 462 Disc/Drum Mower - TractorJoe
We have a New Holland 462 disc mower. Towards the end of second cut last year, we spun off two of the five "turtles" when the mower bar got stuck on an incline. We managed to finish the rest of the second cut using the remaining three discs. There was no damage to the internal works, we just need the broken discs replaced.
